**SUDOKU
PUZZLES**

FOR WHEN YOU
CAN'T SLEEP

PREFACE

Welcome, Sleepless Solver!

This book was created with those restless nights in mind. Every puzzle inside is meant to be your gentle companion when sleep escapes you, helping to calm a racing mind and provide a soothing challenge to fill quiet hours.

Designing these pages took countless hours of effort, from layout to linework, all with the goal of making your night-time puzzling peaceful and frustration-free.

Remember, these puzzles are here for your enjoyment. No rush, no rules, and absolutely no deadlines. It's perfectly fine to take your time, pause, or come back days or weeks later.

Let yourself unwind. Relax your mind. There's no hurry to finish. Just enjoy each puzzle, one sleepless night at a time. Happy solving!
